CARGO TRAILERS

BELMONT CARGO

When it comes to hauling valuable cargo, tools, or equipment, compromise isn't an option. Whether you're a weekend warrior or a full-time tradesperson, our Cargo lineup is built to take it.

Belmont Cargo Trailers are engineered to deliver the ideal combination of security, durability, and versatility, keeping your valuable equipment, tools, or goods protected from the elements and ready for the road ahead. With a 5-Year Structural Warranty and a 1-Year PolyCor Skin Warranty, you can tow with confidence knowing your trailer is built to last.

Our trailers come standard with a Heavy Duty Steel Tube Base Frame, Engineered Wood Flooring, and a Screwless Skin Exterior to ensure that they have the durability to go the distance. We also offer a full array of custom options for colors, doors, lighting, and much more. Additionally, you can choose from a variety of Electrical Packages to power your trailer, from basic lighting to a fully wired workspace.
